INSTALLATION GUIDE

OC15SUK19 – Universal Connection Kit

TYPICAL FOR INBOARDS & SAILBOATS

- The Type R drive can control mechanically steered smaller inboards or sailboats with access to a quadrant or tiller. In all cases the existing primary steering system **MUST** be capable of being **BACK DRIVEN**. Using a universal connection kit, the type R drive can be attached in a variety of ways. Note that custom brackets may be required. A typical arrangement is shown in graphic below.
